

The Man Behind the Papers [intv of Daniel Ellsberg]

by Caroline Drewes

..... He talks about Henry Kissinger. "Have you ever heard his voice? He rarely appears in anything but still photos. It's because of his German accent. An interesting thing . . . his brother came from Germany at the same time he did, and now has no accent at all. When you ask his brother about this, he says, 'I am the one who listens.'"
