The Kissinger Pinup

The Harvard Lampoon, the nation's oldest college humor magazine, chose Cosmopolitan for this year's parody issue—complete with a centerfold of Henry Kissinger, a former Harvard professor, in a Burt Reynolds pose. The pic-

ture, made by combining photos of Kissinger's head and a nude model's body, had neither Kissinger's nor the White House's approval. After all, as one administration source pointed out, "Henry doesn't smoke cigars."
