

Watergate Worry Denied by Agnew

by Stephen Green
Washington Post Staff Writer

Chicago, Oct. 21 -

During his four-day campaign tour, Agnew's central theme has been to defend America as a land of opportunity, while attacking Sen. George S. McGovern ... for criticizing the condition of the country.

.....

In New York Thursday night, he carried this theme even further to say that the goodness and greatness of this country, as he envisions it, should be used to intervene in the affairs of other nations.

.....
