[Abplanalp, in intv in Philadelphia Sunday Bulletin 8 Dec 74, says he and Rebozo have advised Nixon to sell his two houses in Key Biscayne to a proposed nonprofit foundation to be headed by Abplanalp and Rebozo. Both houses are expected to be put up for sale "within the next few days," according to local real estate dealers; it is estimated that the two houses may bring \$750,000 to \$1 million. "Mr. Nixon bought them for about \$250,000, and considerable improvements have been made on them at government expense." For other details, see clipping.]
