Nixon

30 Jul 71

From notes made at time of broadcast: In item dealing with Nixon's appearance in Canton, Ohio, at banquet ceremonies in connection with admission of seven members into professional football Hall of Fame (SFChronicle 31 Jul), he is reported to have said he was going to China to make sure that 800 million people don't live the rest of their lives in isolation. Unclear whether phrase underlined is quotation of what he actually said, or a paraphrase. Phrase is verbatim, from notes made at the time.
