**Nixon's Daughter Rents  
Rebozo Maryland Home**

WASHINGTON, March 5 (AP)—Julie Nixon Eisenhower started moving furnishings into a \$100,000 Bethesda, Md., home today that she and her husband have rented at "a special rate" from the President's friend, C. G. Rebozo.

The White House said she and her husband, David, would not be moving in until about April 1 after Lieut. (Jg.) Eisenhower gets out of the Navy. The white brick, two-bedroom home is near the Burning Tree Golf Club where President Eisenhower used to golf.
