Amin's Watergate Note Draws an Icy U.S. Reply

by Bernard Gwertzman

[Story on United States decision against sending a new ambassador to Uganda following Fourth of July message from Amin to Nixon, in which he says, "While wishing you a speedy recovery from the Watergate affair, may I, Excellency, assure you of my highest regard and esteem."]

See also story on Amin congratulating Nixon on being among the nominees for the Nobel Peace Prize, while suggesting it must have been a joke. SFC [Reuters] 10 Sep 73, also filed Watergate.
