

White House agrees to turn over to Judge Lee Gagliardi,\* a complete tape of Nixon-Dean conversation of 28 Feb 73, after Judge Gagliardi rejected as "not sufficient" a partial transcript he had been given. Dean has testified (no date - before Ervin committee?) that the conversation included a question by Nixon as to whether his brother Edward Nixon was involved in the financial affairs of Robert L. Vesco.

\*who is to preside at Mitchell-Stans trial,
