POW Move by U. S. Churchman

Paris

An American churchman said here last night he had urged Hanoi and the Viet Cong to release a first batch of 50 United States war prisoners to induce President Nixon to set a date for total American withdrawal from South Vietnam.

Bishop McDowell Shelton of the Church of the Lord Jesus Christ of the Apostolic Faith in Philadelphia made the suggestion in a meeting with Duong Dinh Thao, spokesman for the Viet Cong delegation to the Paris peace talks.
