China Blasts U.S. Move

China accused the United States today of "sabotaging the Paris conference on Vietnam" and of making "a fuss" over the question of prisoners of war.

"If the U.S. government really takes the strong desire of the American people into consideration, and really 'cares' for the fate of the U.S. POWs and their families, it should have withdrawn the U.S. aggressor troops and put an end to the Vietnam war long ago," the People's Daily, the Chinese Communist party newspaper, said.
