

Memo made from tape of KFFA News: Item on Gen. John D. Lavelle says that "investigation conducted on 28 unauthorized air strikes over North Vietnam last winter led to Gen. Lavelle's recall from Vietnam on March 23rd." Source not given.*

NYTimes Service, as carried by SFChronicle 13 Jun, says "The investigation was completed on March 23, [Gen. John D.] Ryan testified, and Lavelle was promptly ordered back to Washington

Since KFFA gave no source, do not know whether March 23 was actual date Lavelle was recalled, or KFFA's misinterpretation of date as given by NYTimes Service.

*More accurately, if source was given I do not remember it.
