## Kissinger's

### Trip Delayed

SF Examiner

WASHINGTON — (UPI) — Dr. Henry A. Kissinger has delayed his flight to Munich until tomorrow because of routine scheduling problems, according to the White House.

President Nixon's foreign affairs adviser had planned to leave today, stopping in West Germany en route to the Soviet Union.

White House press secretary Ronald L. Ziegler said Kissinger will meet West German chancellor Willy Brandt and other government officials. He was also expected to attend the Olympic games in Munich.
