**For Release of the P.O.W.'s**

To the Editor:

Senator George McGovern would have us pull out of Vietnam immediately, and hope that the North Vietnamese would be good boys, and release our P.O.W.'s, as he claims they did with the French. The sad truth is that the North Vietnamese only released 11,000 out of the 37,000 French P.O.W.'s they held.
