## Head of PW Families Backs Nixon

WASHINGTON — (AP) — President Nixon today was assured the vote of the retiring board chairman of the League of Families of American Prisoners of War and Missing in Action in Southeast Asia.

Mrs. Carole Hanson of El Toro, Calif., said Nixon is her choice for President again because "he said he would not leave the fate of the prisoners to the good will of the enemy."

She said the proposals of Democratic presidential nominee George McGovern would "dishonor this country and abandon the men like my husband to the mercy of an enemy that has shown no compassion. I don't want my husband's sacrifice to have been in vain."
