Montana Paper Drops Endorsement of Nixon

Helena, Mont., Nov. 6 (AP) - The Helena Independent Record has pulled back from an endorsement of President Nixon with an editorial entitled: "Weep America, and Then Vote."

.....

The editorial said an endorsement for Nixon would condone the Watergate episode, the Russian wheat scandal, the [Telephone] International/and Telegraph scandal, the price scandal "and other unsavory manipulations which have characterized the Nixon Administration and his re-election committee."
