

New Raids—Third B52 Lost

SAIGON — (AP) — The United States kept up the war's heaviest bombardment of the Hanoi - Haiphong heartland of North Vietnam today and the U.S. Command reported the loss of another B-52 heavy bomber, an A-7 fighter - bomber and seven more fliers.

A report from Warsaw said three Polish sailors were killed when U.S. bombers hit a Polish cargo ship in Haiphong harbor.

The admitted U.S. losses since the bombings began Monday rose to three B-52s, two fighter - bombers, including one of the Air Force's \$15 million swept - wing F-111s, and 15 fliers missing.

Hanoi asserted two more B-52s and four more fighter - bombers were shot down

last night and early today in the second night of the attack. Earlier it announced the names of six B-52 crewmen it said were captured yesterday.

Sailors Killed

The U.S. Command reported that two U.S. sailors were killed when a North Vietnamese shore battery put a five - foot hole in an upper deck of the destroyer Goldsborough yesterday. Three crewmen were wounded and a crew berthing area was heavily damaged but the Navy said the destroyer kept on firing.

The North Vietnamese radio said the Polish ship Joseph Conrad was hit by U.S. bombers in Haiphong harbor yesterday, damaging the loading cranes on the stern,

blasting a big hole in a lifeboat and wounding four crew members.

The ship's owners said in Warsaw, however, that three sailors were killed. A spokesman for Poland's state-run Ocean Lines said the Joseph Conrad had been held in Haiphong since the harbor was mined by the United States several months ago and only a maintenance crew was aboard.

No Details

The Command gave no details on the second night of attacks on the Hanoi-Haiphong region, maintaining one of the densest news blackouts of the war.

But U.S. Officials said scores of B-52s pounded the

Hanoi-Haiphong corridor during the night, and there appeared to be no letup in the raids. Hundreds of fighter-bombers also are taking part.

Radio Hanoi said U.S. bombers "again bombed several densely populated areas of Hanoi and Haiphong."

The North Vietnamese news agency said the bombing had turned Hanoi into a "huge battle site," with many civilians killed or wounded, while in Haiphong the bombers "laid waste to a great number of houses along busy streets and many suburbs, causing the death of many civilians."

No Surrender

Hanoi reiterated that the bombing, despite its devastation, would not force it to accept President Nixon's peace terms.

"This path will only lead the United States to still heavier military, political and diplomatic defeats," said the North Vietnamese army newspaper Quan Doi Nhan Dan.

While the U.S. Command has refused to disclose any of the targets being attacked, other sources indicated they included radio transmitters, power stations, and the two rail lines between Hanoi and China.

Some of the targets had never been attacked before, U.S. officials said.
