

# Partial Listing of U.S. Prisoners, Taken

Following is an incomplete list of names of United States servicemen from a prisoner-of-war list provided Saturday by the North Vietnamese.

In releasing the information, the Pentagon provided only names, services and ranks of the men. Additional information such as home towns and date of capture comes from Associated Press files, based on a variety of sources, including lists provided over the years by antiwar groups, Hanoi radio broadcasts and reports of foreign correspondents.

In some cases, the information provided by The Associated Press was supplemented by The New York Times with information from Mrs. Cora Weiss of the Committee of Liaison with Families of Servicemen Detained in North Vietnam.
