## Gov. Wallace Sees 'His' POW Return

Birmingham, Ala.

Alabama Governor George C. Wallace watched on television yesterday for a glimpse of a returning prisoner of war whose name he has worn on a bracelet since 1971.

The name on the POW bracelet was that of Colonel Robinson Risner of Oklahoma City, and Risner was one of those who stepped off a hospital plane in the Philippines early yesterday.

Wallace said he plans to present the bracelet to Risner personally.
