

Ex-POW Granted Divorce

Springfield, Ohio

Air Force Major Hayden J. Lockart Jr., who spent eight years in a North Vietnamese prison camp before his release in February, was granted a divorce yesterday.

The decree in Clark County Common Pleas Court awarded Lockhart, 34, the divorce on grounds of gross neglect of duty and extreme cruelty.

His British - born wife, Jill, was awarded custody of the couple's 7-year - old son, Jamie, whom Lockhart had never seen until he returned to this country last February 16. The court also awarded her \$100 a month sum alimony payment of \$5000.

The couple had been married 11 years.
