

William Rehnquist: Legal Technocrat

by Arthur S. Miller

..... Running through many of Rehnquist's] legal opinions and statements [during the time he was assistant assistant attorney general, Office of Legal Counsel] is a common theme of expanded governmental powers, centered in the executive, vis-a-vis both Congress and the individual.

..... William Rehnquist is the resident theorist who finds within the crevices of consitutional law ample justification for whatever the President has wanted to do.

.....
