

New Magee Plea

Ruchell Magee filed a petition yesterday to move his trial on aggravated kidnaping charges from the Santa Clara county Superior Court to the U.S. District Court in Los Angeles.

Magee said he could not receive a fair trial in any state courts or in this area.

Magee's action postponed a hearing scheduled yester-

day in the San Jose court to determine whether he could change his plea in the case. On Friday, he had pleaded guilty. On Monday, he changed his plea to not guilty.

The charges against the 34-year-old defendant stem from a 1970 shootout at the Marin Civic Center in San Rafael.
