What the CIA Fears in Chile

by Jack Anderson

..... We have now obtained secret CIA documents which explain why the CIA ... was anxious to prevent Allende's election. The cloak-and-dagger crowd feared he would permit the Communists to turn Chile into a base for stirring up revolution throughout South America.

The latest secret intelligence reports bear out the CIA's concern. These report that Cuban dictator Fidel Castro has turned his embassy in Santiago, Chile, into "the principal Cuban center for support of Latin-American liberation movements."
