

Ex-CIA Man Dickering

Mexico City

Former U.S. Central Intelligence Agency agent Philip Agee says his attorneys have met with Secretary of State Cyrus Vance to negotiate a deal for his safe return to the United States, a newspaper reported Sunday.

El Sol de Mexico said Agee, who is being deported from Britain, told it a key part of the deal would be a promise he will not be prosecuted for divulging CIA secrets in his book, "Inside the Company, A CIA Diary."
