

A STRONGER SECRET SERVICE: BETTER PROTECTION FOR THE PRESIDENT

by Fred Blumenthal

.....

[Director James J. Rowley of the Secret Service] has intensified the already rugged training his men must undergo, and his intelligence system now includes a computerized list of extremists and crackpots whose words or actions have marked them for special attention as potential assassins. The computer now has a record of more than 100,000 names and it is adding about 100 new ones each week.
