

19 Apr 73

Peter Wolf, attorney, says a client of his who worked for Comm to Re-etc, removed eight cartons of documents from the White House 18 Jun 72, including material from Hunt's desk. This would be the day before Hunt's office was searched by White House aides. Client kept the material through the summer, then returned it to the Committee. Wolf declines to give client's name to newsmen.
