

26 Feb 74

Samuel Garrison - "Garrison has told close associates that he was hired specifically to obstruct the investigation. These were the instructions, he confided, of the committee's senior Republican, Rep. Edward Hutchinson (R-Mich.). As Garrison recounted it, he was supposed to give the impression of cooperation but, at the same time, he was expected to impede the inquiry."

WXP 26 Feb 74, Jack Anderson and Les Whitten

- See also Jack Anderson column, 10 May, 26 Jul 74, or entries those dates.

- Garrison began work on the committee 1 Dec 73.
