

6 Apr 74

Nixon (taxes) - Undated story says report of Joint Committee on Internal Revenue Taxation includes brief passage and footnote which say that Nixon charged off on his tax return one quarter of the wages paid a maid at San Clemente, while neglecting to pay Social Security taxes for her; did the same in the case of a gardener employed for six months.

SFC 6 Apr 74 [NYT]

Maid and gardener, San Clemente - see entry, Nixon (taxes).
