Ehrlichman, during cross-examination by Neal, denies that his defense is that Nixon had manipulated and deceived him, but he continues to give incriminating testimony about Nixon. See story for examples.

NYT 13 Dec 74, Lesley Oelsner

McCord - U.S. Court of Appeals upholds McCord's conviction; opinion written by Chief Judge David L. Bazelon says the judges "affirm McCord's conviction in its entirety." See stories for McCord's reasons for asking for reversal of the conviction, and for asking for a new trial.
