

10 Apr 75

Nixon Foundation is officially dissolved. In uncontested Superior Court action in Los Angeles, the foundation is permitted to dissolve and donate its assets to Whittier College. "The assets include some office equipment and oral history tapes dealing with Mr. Nixon's life before he entered politics, attorneys said. Dissolution of the foundation, which was established in 1969 to set up a Nixon Presidential library, was approved by its trustees two months ago."
