Index       International pressure       The Other News       Quotation of The armonic mark with both both problem in the sectors problem in the sector problem in the sectors problem in the sectors problem in the sector problem in the sectors problem in the	International Premier Golda Meir of Israel announced her resignation, bringing down her month-old coalition Government and setting the stage for new elections in the next several months. Mrs. Meir said she had found it impossible to continue because of deep divisions within her Labor party over the issue of assigning responsibility for Israel's miltary shortcommings at the beginning of the October war. Mrs. Meir's resignation could cause problems, the experts expressed confidence that a caretaker government headed by Mrs. Meir would be able to negotiate an accord. [10:4.] The second-largest French labor union has endorsed François Mitterrand, the lone candidate of the policical Left in the nation's presidential campaign. The unsolicited moves by the French Democratic Confederation of Labor, which has never before endorsed a leftist candidate. for the presidency, is a major worry to the Gaulist-led Government union is largely Roman Catholic, the Government for the first time the West accounted for more than 40 per cent last year, accounting American trade with capitalist nations rose international trade. By the Soviet accounting that for he first time the West accounted for a grand jury investigation into a social to voke for his Vice-Presidential papers, accounting to well-placed sources. The sources all that Donald C. Alexander had discussed the matter with Leon Jawowski, the special Watergate prosecutor, last week and given him a list of former Presidential associates to be investigated.
