

Questions for Mr. Nixon

To the Editor:

I am a supporter of President Nixon, and have been one for the last four years. However, I do have some questions which I would like to have answers to. (1) The Watergate bugging affair, (2) the secret \$10 million in contributions, (3) the violations of the campaign law disclosed by the General Accounting Office.

I have tried to answer these questions with optimism, but I have not been able to convince myself that President Nixon is not in any way responsible for the answers to these questions. If these questions are still unanswered by Mr. Nixon by Nov. 7, I will have to vote for George McGovern.
