

White House Denies Story on Haldeman

by Peter Osnos

.....

[Sen. Robert J. Dole, chairman of the Republican National Committee] said in a Baltimore speech Tuesday [24 Oct] devoted entirely to an attack on The Post that Katharine Graham, the paper's publisher, told a "nationally known journalist" seated next to her at a dinner party that the newspaper was attacking the President, "because I hate him."

Mrs. Graham said yesterday that she never made such a statement to anyone, and that she did not feel that way.

Dole ... refused to disclose the source of his information.
