## Shriver Says 'Espionage' IA's Techniques

By Lou Cannon Washington Post Staff Writer

BUFFALO, N.Y., Oct. 16-The Nixon administration is using CIA tactics on American citizens, Sargent Shriver charged today.

velopments in the Watergate to make people think of the Shriver compared to a Teopburglary case and to the CIA Watergate issue in terms of its and that doesn't change it's background of some of the defendants, Shriver said:

against the American people the same techniques that America used against the Rusin the middle of the night, imdevices, forging letters, brib-many voters have dismissed ing people and then sending the Watergate affair as simply covert information, it appears, being typical of American polright up into the office of the itics. White House, the President's office itself . . .

here, and I say the American now being used against Ameripeople will not tolerate it."

Shriver's speech, wildly cheered by a partisan crowd towaga (Erie County) town Shriver said. He concluded his In a reference to recent de- his aides as a calculated effort on President Nixon, whom "Big Brother" espionage effects on the American people "They're perpetrating rather than as simply an issue he always was," said Shriver. in which one politician does dirt to another.

The Democratic vice presisians . . . they're burglarizing dential candidate himself emin the middle of the night, imphasized this point and took planting electronic bugging cognizance of the fact that

But Watergate is different. said Shriver, "in a very seri-"This is the introduction ous and ominous way" because into the life of the people of it shows that CIA techniques America of covert, subversive which have been developed to activities of the type that have counteract the Russians, the only been permitted outside techniques of "espionage, bribthe United States. That devil ery, cajolery, falsification of is coming back to corrupt us records, disinformation" are

"That's the most un-American development that's happened, certainly in my lifeof 400 that jammed the Cheek-time, and perhaps ever," hall, was described by one of speech with a personal attack spots."

"He's still the same Nixon "He may dress like a President, look like a President, talk like a President, act like a President, walk like a Presi-
