

**Percy Urges Nixon to Tell
The Truth and Nothing But**

Senator Charles H. Percy, Republican of Illinois, urged President Nixon yesterday to stop the "prolonged agony" of the Senate Watergate investigations by "telling the truth, the whole truth and nothing but the truth" about Watergate, The Associated Press reported.

"We can't have the information reluctantly extracted, kernel by kernel, month after month," Mr. Percy said. "Let's get it over with."

The Senator was being honored as Statesman Father of the Year by the National Fathers' Day Committee in the Waldorf-Astoria Hotel.
