

Notes on People James F. Clarity

●  
The American Independent Party's 1972 Presidential candidate, **John G. Schmitz**, is a Republican again. Mr. Schmitz, a former California

The New York Times

**John G. Schmitz**  
*Back in the party*

Congressman, left the G.O.P. after his defeat in a House primary last year. On re-enrolling as a Republican in Orange County, Calif., Mr. Schmitz said, "I intend to get back inside and fight for the causes I have always upheld, confident that the course of

events since election day 1972 have provided a new opportunity for advancing those causes in the Republican party, which was their natural vehicle until the Watergate Mafia took command."
