Oust Ziegler, Scherle Urges

United Press International

Rep. William J. Scherle (R-Iowa), one of the more conservative Republicans in Congress, said yesterday President Nixon must oust press secretary Ronald Ziegler in order to regain the confidence of the American people.

"He has now become 'inoperative,'" Scherle said, using one of Ziegler's famed expressions.

"This lame and evasive admission of deception does not begin to atone for his arrogance in the past, and the press will do him no favors," Scherle added.
