Impeachment Demands in Berkeley

SFChronicle

Some 400 Berkeley residents voiced demands last night for the impeachment of President Nixon.

The meeting, held at the Newman Center at Dwight way and College avenue in Berkeley, was sponsored by the Committee to Impeach Richard Nixon, an ad hoc group formed over the weekend.

Assemblyman Ken Meade (Dem-Alameda) told the gathering that impeachment proceedings were ready to start in Congress and that those who favored the action should let their representatives know immediately.

Group spokesmen said that plans were underway for a big impeachment demonstration to be held in San Francisco on Saturday.
