Humphrey Faces Queries
On a Hughes Political Gift

LOS ANGELES, Nov. 28 (AP) —Senator Hubert H. Humphrey of Minnesota has been asked to tell under oath whether he received a \$50,000 political contribution from Howard R. Hughes in 1968, allegedly delivered by a former Hughes aide, Robert A. Maheu.

Court records disclosed yesterday that Mr. Humphrey had been given a list of questions to be answered by deposition. The Democratic Senator, who ran for President in 1968, will not be required to testify in person but will be given written cross-examination questions from Mr. Maheu's attorney.

The request for written answers came in pretrial discovery proceedings in Mr. Maheu's \$17.3-million libel suit against Mr. Hughes and his Summa Corporation.
