

A stylized graphic of the American flag, with the stars in the upper left corner and the stripes flowing across the page. The text is overlaid on the stripes.

AMERICA PLEASE WAKE UP!

In the name of Thomas Jefferson and his friends we thank you and extend to you wishes for a warm and peaceful Christmas. Americans, You Are Beautiful!

WE BELIEVE THAT THE HOUSE OF REPRESENTATIVES STRICT CONSTITUTIONAL DUTY IS TO

IMPEACH NIXON IMMEDIATELY!

The times are too perilous to wait! Incendiary Inflation... Unanticipated and Questionable Energy Crisis... Continued war in Vietnam, Cambodia and the Middle East. Our founding fathers in their wisdom, made Congress the caretakers of our government until we have a new election to replace the President and Vice President.

In their wisdom our elders said,
"YOU KNOW A MAN BY HIS FRIENDS!"

WHO ARE NIXON'S & FORD'S FRIENDS?

- ✓ Nixon's appointed Attorney General Mitchell (Nixon's friend and Law partner) and Secretary of Commerce Stans Indicted! **IMPEACHABLE CRIME!**
 - ✓ Nixon's two Chiefs of Staff—Haldeman & Erlichman Indicted! **CRIME!**
 - ✓ Nixon's Chief of the White House Gestapo, the Plumbers, Krogh Indicted! **CRIME!**
 - ✓ Nixon's White House Lawyer—John Dean Indicted! **IMPEACHABLE CRIME!**
 - ✓ Nixon's personal Lawyer—Herbert Kalmbach Indicted! **IMPEACHABLE CRIME!**
 - ✓ Nixon's Chief Counsel Colson's friend—E. Howard Hunt, with an office in the White House no less—JAILED!
CRIMINAL!
 - ✓ Nixon's Chief of Plumbers top agent—E. Gordon Liddy Jailed! **CRIMINAL!**
 - ✓ Nixon's twice hand-picked Vice-President of the United States—Spiro Agnew—pleaded guilty to one count to avoid prosecution for extortion, bribery, perjury and obstruction of justice—Resigned. (For your children's sake he should be brought to trial) **CRIMES!**
 - ✓ Nixon's commitment to the Senate—Solemn Legal promise not to interfere with Special Prosecutor Cox—promise broken—Cox fired.
 - ✓ Nixon's new Attorney General Richardson & Assistant Ruckelshaus both resigned with disdain and despair for their President.
 - ✓ Nixon's brother Donald's loan of \$200,000 from Howard Hughes secured by a hunk of land worth \$13,000. Bunk! Bunk!
 - ✓ Nixon's nephew (Donald Nixon's son) working for Vesco, a fugitive from justice—under indictment.
 - ✓ Nixon's friend Bebe Rebozo—a bank president—with interest bearing accounts and a large bank vaults puts \$100,000 in cash from Howard Hughes in a little black box for safekeeping for 3 full years! Bunk!
 - ✓ Nixon and Haldeman both stated the crucial April 15th taped conversations of the President and John Dean would not back Dean's crucial testimony of coverup and obstruction of Justice by the President himself.
- ➔ **NOW** we find the April 15th tape never existed. How could Nixon and Haldeman have listened to a tape that never existed/Outright, outrageous Lies. **IMPEACHABLE CRIME!**
- By simple deduction, that April 15th tape either verified John Dean's testimony or made him a Liar. Since the evidence mysteriously disappeared while in the President's possession, this act verifies John Dean's testimony and belies the President's denials. **IMPEACHABLE CRIME!**
- ✓ E. Howard Hunt, with an office in the White House visits Dita Beard, crucial I.T.T. witness of Presidential wrongdoing—in disguise in Denver. Why? **IMPEACHABLE CRIME!**
 - ✓ Nixon's Chief of White House Gestapo—Like Plumbers-Krogh—orders the burglary of Daniel Ellsberg's psychiatrist.
 - ✓ Nixon's Domestic Chief of Staff Erlichman offers the Judge in the Ellsberg trial the top spot in the FBI while the trial is going on—and does so on the grounds of the Western White House. Ordinary people are put in jail for less—much less! **IMPEACHABLE CRIME!**
 - ✓ Nixon's campaign funded heavily by the milk industry—Raises the price of children's milk because he knows Congress will raise it more? Incredible! Is he psychic or psycho? **IMPEACHABLE CRIME!**
 - ✓ Nixon's chief fund raiser and former Cabinet Official—Maurice Stans—keeps millions of dollars in cash in his office. Why? Banks not safe?
 - ✓ Nixon's associates Launder cash money in Mexico. Why? **IMPEACHABLE CRIME!**
 - ✓ Nixon's father image, C. Arnold Smith—an old and dear friend and heavy contributor; charged on many counts in California.

- ✓ Nixon's personal, private den is furnished by hard earned U. S. taxpayers' dollars. Incredible gall!
- ✓ Nixon's clandestine and illegal bombing of Cambodia with Pentagon documents illegally changed—illegally keeps this information from our citizens representatives—the Congress of the United States of America.

IMPEACHABLE CRIME!

THE GREAT GRAIN ROBBERY:

Nixon's giveaway of 25% of the total United States grain production to Russia—who profited immensely and used the profits to arm Egypt and Syria.

CHECK THE PRICE OF BREAD AND BEEF. Nixon gave us incendiary inflation—The Great Grain Robbery. **IMPEACHABLE CRIME!**

Nixon's Assistant Secretary of Agriculture—in on the Russian grain deal—came home with inside information on U.S. taxpayers money—quit the government shortly upon returning home and became an Executive of Continental Grain—who made enormous profits on the grain deal. Nixon's giveaway.

NIXON-KISSINGER DIPLOMACY?

- ✓ Nixon tilted the tiny dictator led Pakistan against India and turned a 400 million friendly Indian sub-continent away from us and toward Russia.
- ✓ Nixon's Band-aid peace in Vietnam was used to win his election in this country. Is there really peace in Vietnam or Cambodia?
- ✓ Nixon's theatrical trip to China—without consulting the friendly government of Japan—caused that government to lose face (important and vital in the Far East) and 6 months after the trip to China—the friendly government of Japan collapsed and was replaced with a tough one!
- ✓ Nixon's detente with China? China is still heavily supplying Hanoi!
- ✓ Nixon's detente with Russia? Russia is heavily supplying the Arabs!
- ✓ Nixon gave us 2 devaluations—incendiary inflation—no real peace—(just facades)—The Great Grain Robbery—Burglars—Wiretaps—Extortion—Bribery—more Burglary—Perjury—Ruined many young lives—made us an unhappy country with great loss of power and prestige (But Americans Are Resilient & Come Back Fast!)
- ✓ Nixon's absolutely illegal impoundment of Congressionally appropriated funds—declared illegal by over 30 U.S. courts. These actions are against our Constitution. **IMPEACHABLE CRIME!**
- ✓ Nixon's use of funds donated to the Republican party to reelect the President, used to interfere in over 100 Democratic primaries by funding Democratic opposition—including Governor's Wallace's primary. Illegal and against our democratic process—and Republicans engaging in Democratic party politics.
- ✓ Nixon's men used extortion against American companies for millions of dollars and caused them to commit illegal acts. **IMPEACHABLE CRIME!**
- ✓ Nixon is an imperial potentate—not an American President!

NOW!

If Nixon is naive and knew nothing of these crimes and many others to come out—then he should not be in the greatest office in the world. **No Executive can operate in this void.**

However, if as all evidence points, Nixon *did* know of these and other **High Crimes**, then he should be investigated **quickly and thoroughly** by the House Judiciary Committee—which has a strict Constitutional duty and is **dragging it's feet**. Beef up your staff, Chairman Rodino, and let's get moving. We are living in desperate times!

Congress—all 435 Representatives and 100 Senators have the **strict Constitutional duty** to run this government under the Constitution—and they can do this well. They are our complete Representatives and shall protect our Rights to Life, Liberty and the Pursuit of Happiness.

We may have come closer to losing our freedom in this country than you can ever imagine!

We believe it is of vital importance and of great urgency that 3 of our foremost psychiatrists in the United States of America examine Richard Nixon to determine his mental competence to lead our great nation while the impeachment proceedings are going on!!

Also impeachment proceedings need not take long and—with urgent business such as this—all holiday recesses should be postponed until this vital business is concluded.

If you believe there should be more of this kind of vital communication, send us anything from a penny on up by check only... no cash please.
