Why Nixon is letting Rose Mary Woods twist slowly, slowly in the wind

See:

And let a psychiatrist
show you the hidden
psychological compulsions
why Nixon —

- Confuses the truth
- Can't give up those tapes
- Won't play by any rules
- Escapes into isolation
- Juggles his finances
- Craves personal luxury
- And might behave "beyond normal limits" under certain circumstances

"A book so fascinating you will
read it at one sitting."
