A Rally for the President

Some 200 young persons demonstrated on the plaza of the Federal Building in San Francisco at noon yesterday, urging Americans to rally behind President Nixon during the Water-gate crisis. The gathering followed an interdenominational prayer meeting Wednesday night at the First Congregational

Church here. Both were part of a nationwide, 40-day prayer and fast called by the Rev. Sun Myung Moon of Korea who has said it is God's desire for this nation to "Forgive, Love and Unite." Other banners at the rally said "We Love Nixon" and "God Loves Nixon."
