

## A Devilish

## Idea for

## Nixon

Washington

Representative Robert F. Drinan (Dem-Mass.) said he received this message yesterday from a constituent:

"If you can't impeach him, exorcise him."

Drinan, the only Roman Catholic priest who is a member of Congress, introduced a resolution last year for the impeachment of President Nixon. Drinan is a member of the Judiciary Committee, which is conducting a preliminary inquiry as to whether impeachment proceedings should be instituted.
