## "Invaluable."

-GORE VIDAL, New York Review of Books

## The Strange Career of E. Howard H. Dy tad Sz.

H writes novels. And helped pan an invasion of Cuba. He lives the good life. He has a rmantic and oddly extravagant prsonality. And he's earned the tie "Watergate dirty trickster." H's E. Howard Hunt. And his etire strange and often sordid sory is exposed by a former star reporter for The New York Times. Here too, among the secret codes and shocking operations, is new light on many aspects of the Watergate caper, including evidence that it was just the tip of the iceberg. "A superbly professional job.... Szulc smoothly and skillfully lays bare a White House fraud."—BENJAMIN WELLES \$5.95
