FEB 1 2 1974 SFChronicle **Report of Nixon Mideast Trip Denied**

New York

President Nixon has ordered tentative plans made for a trip to the Middle East in April, CBS News reported yesterday. But Secretary of State Henry Kissinger **de**-Under House Correspondent Currently is scheduled to in-clude stops in Egypt and Jordan, with one in Israel

nied it.

A radio report from CBS White House correspondent Dan Rather said the visit currently is scheduled to in-

expected to be added to the list.

Asked about the report Asked about the report last night, Kissinger said, "There are no plańs. It won't happen."
