Nixon to Talk at Dinner

WASHINGTON, March 21 (AP)—President Nixon will address next week's Republican Senate-House fund-raising dinner in Washington, the dinner committee disclosed today. The disclosure came when a press notice about next Wednesday's \$1,000-a-plate dinner said reporters would be admitted "at the time of the President's speech." There has been no White House announcement that Mr. Nixon would attend the dinner. (27 MAR)
