**TV Specials Set
On Nixon Tapes**

ABC television has scheduled a half-hour special called "Congress View the Transcripts" today at 8:30 p.m. on Channel 7 (WMAL), anchored by correspondent Howard K. Smith.

NBC and National Public Radio are planning weekend specials in which casts will give "play readings" of the transcripts. Both networks emphasize that the readings will be done in meticulously "nonexpressive" manners.

The 90-minute NBC special, anchored by John Chancellor, will be broadcast Saturday at 11:30 p.m. National Public Radio is scheduling a marathon reading of the transcripts between 8 a.m. and midnight both Saturday and Sunday.

Yesterday CBS broadcast a one-hour special on the transcripts.
