

Editor — Mr. Nixon exhorts to put Watergate behind us and to get on to other matters. So be it.

I suggest such other matters as San Clemente and Key Biscayne, the Haynsworth and Carswell nominations, ITT, milk, the wheat deal, the Ellsberg break-in, Cambodia, Judge Byrne and the FBI, the Hughes loan, the Cox and Richardson departures, impoundment, the selling of ambassadorships, the two-time Agnew endorsement, the income tax capers and the missing deed, the 18½ minute gap, contempt of Congress, contempt of the American people.
