## WXPost MAY 1 8 1974 Julie Also Uses (Expletive Deleted) **(Expletive Deleted)** INDIANAPOLIS, May 17 (AP)—Julie Nixon Ei-senhower says she some-times uses (expletive deleted) herself. Mrs, Eisenhower said use of words such as those deleted from the edited transcripts of White House tape recordings is merely a way to release pressure. "Sometimes I like to in-dulge in them myself," President Nixon's younger daughter said during a question-an-answer session after her speech to the Girls' Club of Indianapolis Thursday night. About 100 persons, mostly teen-agers, attended the meet-ing.
