

# Where Nixon Will Go in the Mideast

Washington

President Nixon's Middle East tour beginning next week will carry him to five countries — Egypt, Israel, Saudi Arabia, Jordan and Syria — administration sources said yesterday.

Mr. Nixon will leave June 10, accompanied by Mrs. Nixon, and the tentative plan is for their return to the

United States on June 19, sources said.

Official announcement of the itinerary is expected today.

Mr. Nixon will return to the United States before making a separate trip to the Soviet Union for talks with Kremlin leaders beginning June 27.
