What the grand jury said about Nixon:

"On February 25, 1974, in the course of its consideration of the indictment in the instant case, the June 5, 1972, Grand Jury, by a vote of 19-0, determined that there is probable cause to believe that Richard M. Nixon (among others) was a member of the conspiracy to defraud the United States and to obstruct justice charged in Count I of the instant indictment, and the Grand Jury authorized the Special Prosecutor to identify Richard M. Nixon (among others) as an unindicted co-conspirator in connection with subsequent legal proceedings in the case."
